A Truly Unique Location

What could be more special than saying “I do” in private gardens, surrounded by nature and sharing the moment with your family and friends? Private lakes and extensive grounds bursting with exquisite wildlife and fresh flowers provide the perfect backdrop for every occasion.

Chevin Country Park Hotel & Spa is a unique venue for a unique commitment. The main building of the hotel is the largest log cabin in the country, adding a certain majestic touch to the location.

Your wedding is unique and our bespoke service will make sure your magical day remains with you forever. From red carpet arrivals to a special summer barbeque, your day can be anything that you want it to be.

We know the excitement of a special event can create an abundance of detail for your attention, so we make extra certain that our specialised team is there for you from beginning to end, leaving you relaxed and happy and with time to enjoy and cherish the whole experience as it unfolds. Only the perfect planning found at this distinctive and exceptional location can assure your special moments will be remembered and recounted for years to come.

A Time for Celebration

Your day deserves to be special; a day that you and your guests will always look back on with happy, fond memories. Depending on your requirements we have three elegant rooms which capture the magic and natural ambience of the surroundings.

The Lakeside – This room provides entry for the bride from the picturesque area of the hotel's terrace. The rich, natural theme, coupled with the delightful layout of the room provides the perfect surroundings for a red carpet walk, meeting the groom by the beautiful stone fireplace at which you will declare your love.

The Garden Lounge – The Garden Lounge, which benefits from abundant natural daylight, is a more intimate alternative, offering beautiful views over the lake and of the woodland beyond.

The Woodland Suite – The Woodland Suite is perfect for larger ceremonies and also offers generous views over the hotel's spectacular grounds. It can seat up to 110 guests for your wedding breakfast, and up to 180 guests for your evening reception.

Food and Drink

Here at Chevin we are passionate about food. We offer all our couples the opportunity to sample our delectable wedding menus before the big event and invite you to discuss any special requests, when we will also be happy to answer any questions. All needs will of course be met to our highest standard.

We offer a range of options for you and your guests, from a fun and delicious barbeque ready to make your mouth water, to sumptuous, irresistible buffet suppers. Please see our menu selectors for full details.

An assortment of drinks packages is also available. These have been designed to meet most requirements, however please discuss any specific requests with a member of our team.

Chevin Country Park Hotel & Spa offers excellent accommodation to all of the bride and groom's special guests. These range from our quality standard double rooms in the main building and cosy rooms tucked away in log cabins, to the exceptional Honeymoon Suite reserved, of course, for the happy couple.

Enjoy the celebrations of the evening in the main area of the hotel; with roaring log fires situated throughout the public areas, take a moment in our lounge or bar to reflect on the day. We would be delighted to recommend a drink from our extensive wine and malt whisky selection. Relax while watching the sun set over the glistening waters of the fishing lakes and disappear behind the silhouettes of the dark trees.

If you decide to embrace the character of your surroundings and the happy vibe of the evening, turn your day in to a break away by staying the night. For those guests wishing to stay we are happy to offer special wedding accommodation rates on our 49 bedrooms throughout the main building and log cabins. In the morning full English breakfast will be served and complimentary use of our leisure facilities is available.
