## WELCOME

A HOTEL WITH HEART AND SOUL

In the heart of the Malt Whisky Trail, The Craiglynne Hotel is a wonderful base to explore the great Scottish outdoors. Like the surrounding town of Granttown-on-Spey, the hotel is an impressive granite-built building sitting in its own grounds with Inverness, Loch Ness and the dramatic Cairngorm Mountains close by. A short stroll from the hotel brings you to the beautiful River Spey, one of Scotland's main salmon rivers.

We have a great hotel which will provide you with an excellent standard of accommodation with a welcoming atmosphere. Roaring log fires in the lounge and bar echo the warmth of hospitality whilst the sun lounge offers natural warmth with views across landscaped private gardens.

After exploring the local scenery and attractions, there's nothing better than sinking into an armchair by one of our roaring log fires and enjoying a dram from our large selection of whiskies.

We have put our heart and soul into creating a fantastic new hotel in one of Scotland's most picturesque locations. We are passionate about looking after you and will do all we can to make your stay truly memorable, whenever you visit
