Dear Mr Starkey,

I am writing to thank you and your team for the donation of £2,000 that you made to One in a Million, to provide support for local children in more deprived areas.

Your donation will go on to lead projects for these children such as sports, dance, drama and music sessions. Not only this but the charity will also hold sessions on substance abuse, crime and bullying. These activities are vital to making sure that young people grow up to be intelligent and respectful adults. You and your team at Chevin County Park Hotel should be proud that your generosity will give many disadvantaged children the opportunity to take part in such activities.

It is because of companies like yours that our community is thriving and is a welcoming area where families can live and enjoy their life. Again, I would like to thank you for giving such a thoughtful gift to a very deserving charity.

Please do not hesitate to contact me if I can offer any support. I am always happy to visit local businesses – just contact my constituency office to arrange this.

Yours sincerely,
