Please advise a member of our team about any allergens or intolerances. Most of our guests now prefer to pay via debit or credit card including a service charge for great service. To make this easier we have added an automatic service charge - we've made it a default 10% and you can change it to any level you wish including no service charge. Our teams have always shared service charge - every penny you might want to give is shared equally by our teams. There is no administration cost or anything retained by the company; what you may give is guaranteed to go 100% to our team. Service charge is entirely optional, if you would like us to remove it, you need only ask.
