Before ordering, please inform a member of our team if you have a food allergy or intolerance.

During these challenging times, we've worked hard to hold on to the food ethos that is close to our hearts, with the same great food heritage, and retains the consistency of quality and ingredients that we take pride in. It should be clear that the menu is as a result of the crisis and allows us to operate whilst taking distancing and other aspects of the current status into account.

# FROM THE KITCHEN
