

Corporate Team Building

DUNKELD HOUSE HOTEL

Team Building in the Heart of Perthshire

Team Challenge Company, one of the leading corporate team building and engagement providers in the UK, believe in the power of well-crafted, outcome-driven team building experiences. These experiences are designed to inspire creativity, foster collaboration, and improve team dynamics, whether you're looking to boost team morale, reward employees, or improve cross-department relationships.

There's a lot of expertise that goes into Team Challenge Company's team building experiences, and their professional facilitators are sure to deliver on more than just fun – they deliver real business growth. Team Challenge Company have condensed over 25 years of team building knowledge, delivering thousands of experiences across the globe, into a highly effective way of strengthening

Outcome Driven Team Experiences

Many of Team Challenge Company's clients come to them with a sense of what they would improve. Whether it's a morale-boosting day out, or something to inspire more creative thinking within your team, you can choose an experience that focuses on one of their 6 key learning outcomes:

- Change and Growth
- Creativity
- Collaboration
- Leadership
- Fun and Social
- Morale Boosters

your business. Their facilitators are true experts in team building and people engagement, and in working together with you, will help your teams reach their full potential.

Building Your Experience

From energising fun and social experiences to insightful leadership workshops, Team Challenge Company will work with you to tailor an event that perfectly suits your team's goals. Whether you want an engaging and entertaining escape roomstyle experience, or something sporty and outdoors, or perhaps a more focused session on long term team development, they have over 100 unique and exclusive experiences for you to choose from.

With the fantastic conference facilities available at Dunkeld House Hotel, and the vast country estate offering acres of grounds to explore outdoor team building options, our partnership with Team Challenge Company truly allows you to create an unrivalled team engagement experience for you and your organisation.

OUTCOME DRIVEN EXPERIENCES INCLUDE:

Beat the Box

Group Size: 15+ teammates

This challenge is about utilising every team member. Teams must combine their skills to unlock the puzzles and crack the codes required to beat the box.

Animate

Group Size: 5-400 teammates

Teams must come up with and shoot a short, animated film. Using stop-motion and a mini studio, they compete to tell the best story around a given subject.

Highland Games

Group Size: 8+ teammates

The spirit of Scottish highland games, on-demand. This experience offers traditional and modern events to get teams competing to find their inner clan.

Plus many more. Enquire with our team for more information.
