As newlyweds, you'll enjoy a complimentary overnight stay in our romantic bridal suite, featuring a four-poster bed, an indulgent and relaxing retreat after your unforgettable day.

Ceremonies

We welcome religious, civil or humanist ceremonies. Please note that our ceremony hire does not include the officiant, and this must be organised directly between the client and the officiant.

Dietary requirements

If you have any guests with special dietary requirements, please notify us at least one week prior to your big day.

External caterers

All catering must be done by our talented chefs, who will be delighted to provide memorable meals on your big day.

Menu tasting

We want to ensure each dish is just as you had imagined, so our chefs will be more than happy to offer a complimentary three course menu tasting for the bride and groom. We will be in touch with you 6 months prior to your wedding to organise this. We offer tastings Monday to Thursday between 4.00pm and 6.00pm, subject to availability.

Corkage

We do not offer a corkage service. We do have an extensive wine list available so please ask our team for further details. If you have a specific wine in mind, please let us know and we will try our best to source it.

Access for set-up

Suppliers will have access from 8am on the morning of the wedding to begin set up.

Cake

Thainstone House cannot take responsibility for setting up your wedding cake so we ask that this is delivered on the morning of the wedding and is set up by the supplier or a member of the wedding party.

Music

If your ceremony is being held in the ballroom, we have a speaker which you can connect to via the headphone socket. This speaker however does not cover the lawn. Should you wish to hold your ceremony outside (weather permitting) you may wish to consider providing an outside PA system via an external supplier. In both cases we ask that a supplier or one of your guests is responsible for controlling the music.

Fireworks

Fireworks make for a fantastic finish, but please do let us know your plans in advance as we need to make our neighbours aware. Fireworks must finish by 10pm.

Resident late-night bar

If your guests are staying over at the hotel on the night of your wedding, we offer a late-night bar where guests charge drinks to their bedrooms. In order to do this, we require a pre-authorisation on their credit/debit card, so please ask our Reception Team on check in.
